

Product Release

HP® 950/951/950XL/951XL Remanufactured Inkjet Cartridges

Quality

Our remanufactured cartridges endure a comprehensive quality control process including documented disassembly, cleaning, filling, component replacement and quality testing. Your cartridge has been specifically designed and engineered to achieve optimum page count and print performance. You can feel confident about this 100% post-tested remanufactured cartridge.

Environment

Millions of cartridges are discarded into local landfills every year, which is why using remanufactured cartridges is a great way to reduce your reliance on newly manufactured cartridges.

Cost Savings

Our cartridges are remanufactured in the United States of America, and are a cost-effective option to replace your original printer cartridges.

1-Year

Manufacturer Warranty

Every cartridge is 100% guaranteed to be free of defects in workmanship and materials. We warrant, subject to special conditions and under normal use, that our recycled cartridges will not cause damage, deterioration, or abnormal wear in any compatible machine for which the cartridge was originally designed. In the event that our cartridge adversely affects your machine, we will service or repair your machine at our expense.
