

# PRODUCT RELEASE

## Remanufactured Epson® T125, T126, T127 Black & Color Series Inkjet Cartridges

### QUALITY.

Our remanufactured cartridges endure a comprehensive quality control process including documented disassembly, cleaning, filling, component replacement and quality testing. Your cartridge has been specifically designed and engineered to achieve optimum page count and print performance. You can feel confident about this 100% post-tested remanufactured cartridge. We are an STMC factory whose management systems have been ISO certified to ISO 9001, ISO 14001, and OHSAS 18001.

### ENVIRONMENT.

Millions of cartridges are discarded into local landfills every year, which is why using remanufactured cartridges is a great way to reduce your reliance on newly manufactured cartridges.

### COST SAVINGS.

Our cartridges are remanufactured in the United States of America, and are a cost-effective option to replace your original printer cartridges.

## 18 MONTH MANUFACTURER WARRANTY.

Every cartridge is 100% guaranteed to be free of defects in workmanship and materials. We warrant, subject to special conditions and under normal use, that our recycled cartridges will not cause damage, deterioration, or abnormal wear in any compatible machine for which the cartridge was originally designed. In the event that our cartridge adversely affects your machine, we will service or repair your machine at our expense.

### Part Numbers:

102022505 Epson T125120  
Remanufactured Black: 445 yield  
102022506 Epson T125220  
Remanufactured Cyan: 335 yield  
102022507 Epson T125320  
Remanufactured Magenta: 335 yield  
102022508 Epson T125420  
Remanufactured Yellow: 335 yield

### Part Numbers:

102022509 Epson T126120  
Remanufactured Black: 385 yield
